Retirement

Defined benefit retirement plan offers lifetime retirement payments after just 10 years of state service (five years for employees hired on or after Sept. 1, 2022)

**10
YRS**

Employees earn insurance benefits* in retirement after 10 years of state service.

On average, what the State of Texas pays in annuities totals more than what state workers contribute to the defined benefit plan.

Optional 401(k) / 457 plans with affordable minimum contributions and low fees can help boost retirement income.

These benefits can help you plan for a more financially secure future.

*Health and other insurance benefits for employees and retirees are subject to change based on available state funding. You should confirm the benefits available as of your proposed hire date with the agency's human resources department.
