

EDUCATOR REWARDS PROGRAM

The Capitol Gift Shop offers the Educator Rewards Program opportunity for all schools visiting the Capitol Complex. Your school has the opportunity to earn free educational merchandise. Each school that signs up the Educator Rewards Program will receive 10% in free educational material based on the total amount your students spend. You have two years to redeem the points and select your merchandise.

School participating in the Educator Rewards Program will have a scheduled time in the Gift Shop located in the Capitol Extension or in the Capitol Visitors Center. Time for students to shop at either location will be factored in to your tour itinerary.

Ask about this program when you schedule your student's visit to the Capitol Complex. Please call 512.305.8402 for details and to register your school in the program.
