

The State Preservation Board

Internship Program

The State Preservation Board Internship Program is designed to provide undergraduate and graduate level students unpaid internships that offer students an opportunity to gain practical public administration, museum, historical collections/curatorial, and visitor services experience relevant to their coursework and career interests.

Goals

The State Preservation Board Internship Program will:

- Give students an overview of state government by working closely with Agency staff
- Provide students with experience working in Museum departments, Historical Collections/Curatorial, Visitor Services fields, and Agency Administration
- Allow students to earn course credit, depending on internship, degree plan, and institution
- Enhance appreciation of public service
- Enable students to begin building a work history
